“ *Lavon and I were partners for over 4 years but stayed friends beyond that. We had a lot of great memories, her two sons Tony and Danny were always a part of our time spent together, Lavon loved her family ❤️ Lavon had a very distinct voice that you knew it was her 😊 Lavon and I did get to do FaceTime thanks to Tony and spoke on the phone only days before she left us. I will cherish those moments. Until we meet again, my deepest condolences to the family 🙏❤️😭*
