“ *My Deepest Condolences to the Family. I pray that God lift you and provide the strength that's needed at this time. My fondest memories of Uncle Larry was his story telling sessions. The funny ones and the sound advice. Another fond memory of him was at anytime he would be napping in between his multiple jobs and napping while frequently setting with Kevin. No matter the hour, uncle Larry was always there. You can now ask Kevin the name I gave you. And he will tell you "Good Ole Uncle Larry ". I will miss you. RIP Uncle Larry.*
