“ Sending my condolences to the Holland family. Thank you for sharing him with us. He was a great person who always had a warm smile and hug for me. I always felt welcomed in his presence. And I loved him for it.

*If “you got this” was a person....it was him for me. I was 17 years old and he gave me the keys to that “beautiful and stylish” Lincoln to run an errand. LOL. Ummm...ok. He either believed in me or had some good insurance. Either way, that will forever be a fond and funny moment that we could always laugh about.*

*Sending my love during this difficult time.*

“ *Lonnie and I were co-workers at the DC Housing Authority for many years where he was well known and respected. After many years of not seeing him, I saw him at a Friday Night Jazz Show in SW DC. He was like the Mayor there every Friday night with his regular seat that no one dared to sit. Everyone knew and liked Lonnie as he was a person that was always there for others. A loving father and grandfather, great cook, good vocals, good sense of humor and overall good human being. My condolences to the family and prayers that God will embrace them with his comfort and peace.*
