“ To my favorite Uncle who was more than an Uncle. You were like my Dad. My friend. I can not remember a time that you were not around. You were at all my milestones. You were that person that was loving, supportive, a good listener and a role model in our Family. When all the Uncles made their transition, it was stated that you had to step up as the head of the Family. I had to correct them because you did not have to step up. You were always there--willingly. Thank you for all that unconditional love and support. Your Loving Niece, Brenda.

“ *Mr. Sedgwick was a truly wonderful person. I had the opportunity to work with him at the agency (he was one of the higher bosses), but truly down to earth. The things I remember the most about him, was the way he dressed and his beautiful ring. Most than that he was open-minded, kind, caring and gave everyone a chance to grow. He had a beautiful smile that I will care with me in my heart. RIP Mr. Sedgwick, gone but not forgotten.*

“ Sedgwick Family,

Blessed are they that mourn, for they shall be comforted. Matthew 5:4

I extend my deepest sympathy to you. As I reflect on our childhood days in Stanton Gardens, I'm thankful to have known Mr. Sedgwick, a man of character and integrity, our neighbor.

Larry, Darryl, Andrea and family members my heart mourns with you in the loss of your love one. May your hearts be encouraged to hold on to the memories always. He's gone but not forgotten. With love and prayers.

“ *Dear Daddy, you gave me the greatest gift anyone could give another person, you believed in me. You were such an amazing, inspirational and supportive father. You will always be my hero and will always be in my heart and memories forever. With the lovely moments we shared every day, your love will always be there with me and I pray to the Lord to bless you Daddy with eternal peace and love in your heavenly home. I also pray to the Lord to bless Darryl, Andrea and all family members with the strength and support needed to pass through this difficult time.*
