“ *I am so very sorry to hear about the passing of LeMar. While I didn't know him for a long period of time, I definitely appreciated the time that I spent with him. He seemed like a guy with a gentle spirit and heart. May the memories of the good times that you spent with him comfort you. I know he will be missed.*

“ *This is simply unbelievable. We are trying to understand what happened to our friend. We just learned of Lemar's passing on yesterday. We are so sorry we missed his funeral. We had no idea as we have lost contact over the years but never in our hearts. My husband and I both send our deepest condolences to his entire family. If someone read this post, please let us know the exact location as to where he is laid to rest in harmony so we can visit. Lemar truly left a mark on our family.*

“ *Lemar, or L Banks as I called him, was an amazing person! He was so thoughtful and considerate of everyone. He was a great friend. His smile, his laugh were just infectious. I could ask him something and he would give it his best to offer an answer or give a better understanding. He had a big presence while still being a little shy. Whatever he set out to do, he accomplished. He is definitely missed.*
