“ *Leo if feeling well, would wake up every morning singing a Motown song. He loved to make me breakfast and serve it to me in bed at least twice a week. He always remembered a special occasion and gave from the heart. My brother was a good hearted person. My life has changed greatly without him, I love him so much and right now the lost is unbearable.*

“ *You were always there when I needed you cousin. No one will ever fill your shoes. GOD has one of his angels closer to him. You will always be remembered.*

“ Marie I cannot even begin to imagine what you're going through and how difficult all this must be for you. Please know that I am always there for you. Whether to talk or cry or even just sit in silence with you. I know that no words can help ease the pain and loss that you are feeling right now. You are in my prayer and thought. May you take comfort in knowing an angel is watching over you and please remember your family is here for you.

Love you Marie.
