“ *My Condolences to The Smedley Family! I used to work with Deacon Smedley at USPS in Merrifield. I was very fond of him and amazed by all the baseball stats. A very knowledgeable man, we would chat about family, baseball and just life in general. I was happy for his retirement knowing he would live life to the fullest and enjoy the fruits of his labor. I'm blessed to have these great memories and will keep the family in my prayers!*

“ A good brother, indeed. Knowing that I would get to sit and talk with my fellow U.S. Marine Leonard each year during baseball season, I have always eagerly looked forward to it.

Praying for the entire Smedley family,

God Bless,
