“ *Uncle Leroy I'm really gonna miss you. I didn't ever see this coming so soon, but thank i'm thankful 39 years I had you in my life. I was the last from the family to see you with life and i stayed because i didn't want to leave you. I know that you are resting on. Don't worry about Grandmom (mom) we are gonna take care of her. Just keep watching over all of us. Forever love your niece, Kisha* ❤️❤️

“ Uncle Leroy I am very sad to see you go so soon. I never imagined I'd be saying goodbye like this. I wish I had checked up on you more and called you more and came to see you more. Throughout all the ups and downs you were a great uncle . A great son, brother and a amazing part to this family . I remember you used to give me money when I needed it or just because. I remember you used to take care of me when I was little, you was like a second father . I remember all the little talks we used to have . I remember you used to always get me out of trouble. I'm so sad to see you go like this. I just want one last hug one last talk, one last memory with you. You was a great uncle and you will be missed very much uncle Leroy. Never forgotten. Always loved . Always remembered.

“ I’m so sad to see you go away so soon, I wish I could have spent more time and shared more memories with you. I wish I had checked up on you more often and came to see you more often. Never expected things to end like this. You were a great uncle and you help take care of me when I was little almost like a second father . You taught me so much when I was little always gave me money when I needed it . I remember the times you always got me out of trouble and the talks we used to have. “ Uncle Leroy you will truly be missed. I enjoyed these 42 years you have been in my life. We have so many good memories together as a family. We will miss seeing you on the holidays or just going to visit your mother and you come downstairs to see who is down there talking. You will never be forgotten uncle.
