“ *I didn't know Juanita long enough or spend enough time with her. But, in those few years, I came to think of her as family.*

I thought I had more time. I thought I would see her at a few more cook outs. I thought I would see her again for Thanksgiving. I thought we would exchange more Christmas cards.

I was wrong. I didn't know that I didn't have any more time.

I wish I knew. I would have told her that I thought she was classy, elegant, funny, smart, kind, and a great person.

I hope she can hear me.

Juanita, I miss you. I love you.

*Rest in peace
