“ *My "Favorite Auntie" is a wonderful person. She is an 'is' and not a 'was' because she is still with me. I still hear her singing the old gospel music with the love off God and her passion to spread the gospel. She is always telling someone to get it right with God and I know when people talk about my Aunt, they are talking about her telling them to get their relationship right with God. My auntie loves to hug, kiss, and encourage everyone that she meets. She is a stern woman but a fair woman. I love her.*
