“ I would like to send my condolences to the family. I went to Ballou High School with Linda. Our paths crossed i Facebook about 3 years ago. We spoke on the phone and texted back and forth.,I just recently been notified of her passing. Linda was a joy to be around. She had the sweetest smile. She will always be in my prayers,. “ I met Ms. Linda through her daughter Kiera, and she saved my little sister and I from going into the foster system by taking responsibility for us until we went to family court in the nineties. I always thank her for loving on me and my family. I checked in with periodically through the years.

Thank you for the love,

“ Kiera, my heart and prayers go out to you and your family. Your mom has left this earth but she is home with our father and forever will be looking down on you all. Remember her love which will give you strength to carry on. Keep hold of your faith and each day will get a little bit easier.
