“ *Fond memories of my fellow church member and friend. You are truly missed. During the pass couple of days I have thought back over our many, many phone conversations, talks of our loved ones who had made their transition to Glory, Church activities,, Bible Study, and Prayer Services, cards and gifts exchange and the times when we talked about the many old remedies, movies, westerns and the good times growing up in the country, he in Virginia and I in North Carolina. I shall always cherish the memories of a true gentleman. Sleep in Heavenly Peace my friend.*
