“ *Dear Santa and Family, We pray the peace of accepted sorrow and that God will continue to surround you with His love and protection. We all grew up together in Republic, Pennsylvania and then found our way to the DMV. Our families have enjoyed a lasting and treasured friendship; we mourn with you, while knowing he is with Our Heavenly Father. We will always remember him as a no-nonsense Good Man who loved his family, cherished his friends and was one upon whose word you could depend--don't make them like that too much any more!! He will be missed.*
