“ *MS. Lucas was a very good friend of my brother Marshall Edwards. She came with him to visit my mother and me in Kinston NC around about 1998, and when I use to come up and visit him when he lived in Washington DC she would always come and hang out with us. She was such a sweet person. She fought a good fight. My heart is very sadden. Rest in peace Lorenita. May God give your family and friends the peace and comfort that they need at this time.*
