“ *My condelence to you Marla and your family. We know that to be absent from the body is to be present with the Lord. We also know that God does all things well, I pray that God's peace and comfort will carry you through this season of grief. May every day that follows this one be better than the day before. May your heart heal as the memories of his life and love keep you. God's blessings! Your Sister in Christ, Yvette*

“ *I have been deeply saddened since I learned of Lorenzo's glorious transition.*

*Lorenzo was one of my neighborhood's young children on M Street; with pride and joy I observed his growth into manhood. I give thanks to my Heavenly Father for the 20,827 days He allowed him to live in our midst. Poochie was very caring and respectful; I always felt better after our conversations.*

*My sincere prayers are for his family and friends to be given the strength of endurance. (Jimmy Neal Sr)*
