“ *My deepest sympathies to the family. Lorraine was not only a coworker at the Department of Transportation for many years but also a beloved friend. We had some good times and challenging times in the work environment. However, I could always look forward to her smile each morning. We lifted each other's spirit. She will live forever in my heart. I mourn the lost of a beloved friend but we shall meet again.*

“ *Lorraine and I worked for years at DOT/FHWA together. We didn't work in the same office but our paths crossed on a regular basis and we became friends. I always enjoyed talking and laughing together. So very sorry to hear about her passing. To the family, you have my deepest prayers, thoughts and sympathies. May her soul rest eternally in peace.*
