“ *I met Lottie when I worked at Crestar Bank. She was like a big sister to me. We became very close friends even though she was my supervisor. I always thought of her as one of my sisters. She always have me*

Great advise on my personal relationships as well as by career. When I moved to another location, I missed her so much. I have never forgot her words of wisdom and friendship. I loved her very much. She will truly be missed. Rest in peace sweet lady. You have run the race.. I know that you are with your beloved Bill and saying " don't cry for me". I will cherish my memories with you and never forget what an impact you had in my life... You wee an awesome Mother and friend. That's all that we can hope for in life.. Rest in peace sweet Lottie...

“ I met Lottie when she first came to work at the Smithsonian Institution. She was always very thoughtful, pleasant and kind. She became my go to person whenever thorny issues would arise. Lottie knew policy amnd could quote it for you but she would also help you work within the boundaries to solve your problems. I am saddened by her passing but also feel blessed to have known her. I send my condolences to her family, wanting them to know that she will be missed by her Smithsonian family.
