“ *Mr. Louis would always stop by the Dermatology clinic to speak and offer his lovely oils lol ( to purchase of course! :-)  
He always seem to always have something very witty to say about the work day. I will truly miss him. Always seem to have a pleasant demeanor. Nothing false either--his good nature seemed genuine. I didn't know him long but I'll never forget him.  
Rest Eternally Sir.*

“ *I've known Mr. Louis which is what I called him for many years. We would catch the bus in the morning together. He was always very friendly and up beat. He never let anyone know the pain he was going through. He always greeted you with a smile. I always felt protected on the bus when he was around. He will be sadly missed. The lord will keep his arms around his family and friend*

“ What can I say about Mr. Louis...it's funny because he called me Reddz and occasionally I called him " Cajun." He had this southern Cajun accent when he pronounced certain words like" turkey "😂. I've had the pleasure of calling Mr. Louis my friend for 22 yrs. I started working at GWU Medical Faculty Assoc. 22 yrs ago and Mr. Louis was my manager in the medical records dept. for some years. I enjoyed his energy and his kindness. He didn't just manage, he did the work right along side of his employees. His work ethics were impeccable..he ALWAYS went above and beyond and that carried over into the mailroom where you could catch him early in the morning having coffee and reading the paper :) If you didn't see him you could definitely smell him(lol)...he wore some of the nicest fragrances and was always decked out from shirt to shoes.. Mr. Louis was a major part of our work family, I am so very blessed and grateful to have had him as my friend. He will be forever missed but always in my ❤️  
Butler Family please know that you are all constantly in my prayers. My God comfort you in your time of sorrow 🙏

*The Babies Family pray with the Butler Family as you make final preparations during these most difficult times to take my best man and friend to his final resting place here on this earth.*

*Although, my physical presence cannot be with you, know that my spirit is with you always. Most of all, know that God promised not to leave us alone. I have known Louis for over 40 years and he has been my "Best Man" for 38 years. He was a God fearing kind and gentle man full of love for his wife Shirley, and together they spread nothing but love, hope, peace, and care to families and friends. He knew no strangers if you showed any signs of love and peace for humanity. Every holiday and birthday they never forgot to call or text well wishes to me and my family. I will always keep his last text in June wishing me a happy fathers day to me and my family as he would always say. May the God you knew very well through your faith receive you into His heavenly kingdom for all eternity.*

*Rest in peace my buddy, I'll miss you my best friend and best man.*
