“ Ms. Louise, I thought I would get another chance to kiss on you. You were always, so sweet and javascript:void(0);your energy beamed love for everyone. When I met you in the Spring of 2017, I'd immediately recognized an Angel in human form and kissed your face. From that day forward, I'd kiss on your face every time I saw you knowing that you were a God sent "Angel." I know you are resting with your "Beloved."

Sending Love & Light,

Rachel Jacobs
