“ *God makes no mistakes he only picks the best flowers from His garden,He saw your Mom tied of suffering and He decided to call her home where she could be at peace. No more medicine,no more pain where the streets are paved with gold and the angels welcome her she saw her Heavenly Father face to face and welcomed her with out stretched arms. May the prayers of friends and family and the love of God comfort you today,it's not going to be easy but your family is here for you and God is with you.*
