“ *Lula Harris was a fun, loving, kind and considerate person. She loved her family and friends to the utmost. I loved her very much and hate having to say goodbye.*

*I enjoyed many fun times at her home, which created lasting memories. She was my brother's mother-in-law, but she and I were more like sisters. She stopped by my house back in January, who would have guessed it would be the last time that I would see her. In loving memory,
