

## Luther Donell Perkins

October 14, 1968 - July 9, 2024

Luther Donell Perkins was born on October 14, 1968 in Ft. Pierce, FL to Rosetta Knight and Luther Perkins, Sr. He departed this life on July 9, 2024 in Washington, DC.

He joined the church at an early age and began his journey with Christ. He attended elementary and high school in Ft. Pierce before joining the military after graduation. After leaving the military he went to Job Corps in Kentucky before transferring to Potomac Job Corps in Washington, DC. At Potomac, he completed a trade in Brotherhood of Railroad and Airline Clerks (BRAC), starting his career in the federal government. It was there that he met Sharon Graves and they eventually had two daughters. He had an IT career for 30 years before he retired in 2020.

He is survived by his mother Rosetta Marsh (Ft. Pierce, FL), three sisters; Zoie Marsh (Ft. Pierce, FL), Tracy Barnwell (Gifford, FL), and Linda Perkins Green (Clinton, MD), two brothers; Corey Spears (Douglasville, GA) and Luther Perkins, Jr. (Largo, MD), two daughters; Carissa Perkins (Washington, DC) and Angelique Perkins (Washington, DC), one granddaughter; Morgan Blaine (Washington, DC), and a host of nieces, nephews and friends.

Luther loved life. He would always help others and served as a mentor to many people he met throughout the years. He loved to cook and grill, and would often have delicious food for family and friends "just because". Luther

schooled many people on life lessons, how to be a better person and how to always keep learning.

He was loved and respected by many and he will be truly missed. We know however, that God doesn't make mistakes. He has given our angel his wings.

“Luther and I grew up together. As kids we had nick names. His was “Nukie” then we called him “Heckie”. He called me “Greens”. Luther was th funniest person I knew. He, my brother, Corey and I played together and we would tease me endlessly about how mean I was when we played school. I, of course, was always the teach and would beat them for every missed syllable. He had to learn to read and read well. He grew to be a wonderful father and continued his course of loving and helping everyone. I’m truly going to miss him in the worst way.

Sharon - I just wanted to express my condolences regarding Luther's passing. He worked for me for over 10 years and we stayed in touch after my retirement in 2001. He was a good person and I think of him often! Be well. (Bill Brooks).
