“ I am so sorry that I am just knowing that my precious Lydia has gone to be with the Lord. I met here about 15 years ago when sharing about my ministry in Haiti. She became a faithful supporter of our teachers in rural Haiti. I noticed that her donations stopped some months ago, and just thought that perhaps she might be having some issues, and I didn't push the matter. Today while preparing her IS donation receipt, I decided to see if she had moved so that she would be sure to get the receipt.

To the family, please accept our condolences. She was a wonderful, sweetly saved young woman who really cared about the desperately poor. I am just so hurt that I could not have been at her homegoing. I am confident that the Lord will continue to comfort the family knowing that she is at home with Him.

I will try to retrieve the address from the "Send a Gift"
