“ *I reconnected with Marcus about 10 years ago after not having seen him since high school. He was renovating houses in Capitol Heights. He thought enough about the community that he was building in to attend a town hall with me. I will never forget that. Marcus my brotha you will surely be missed. Gone but not forgotten*

“ *I met Marcus when he was 2 weeks old and I was 10. Our families were close, often spending holidays, cookouts and all kinds of celebrations together. Shared many memories together as a teenager, babysitting him and his sister, Miya. Unfortunately, we lost touch over the years but with Facebook, we reconnected and the entire family will forever be dear to my heart! Love you Thomas Family! Shamar Winbush-Middleton and Family*

“ I met Marcus in 1998 and we have been close friends since. I have too many memories to name but I am glad to have had a chance to hang out with him right before COVID shutdown a lot of businesses. I will miss texting the words Mockus to him and him replying back Yo or Lur and all the wonderful laughs and serious talks we had and times we hung out or chilled. Marcus was a good man and a good friend to all. I love him with every bit of my soul and I will love and miss him forever.
