“ *This is the last of my mother’s sisters. My memories of my auntie have been good ones. My Auntie was in the present always she had the spunk of thousands! She loved her family dearly, if God can bless me the many years she lived as she has I would be happy. I think back to the gatherings my Auntie would be life of party! I love you Auntie, I know you’re in good hands with the Lord and the family. Love always your niece Dee Dee*

“ *Margarete Freeman, aka, aunt Bobbie was my mom's big sister. She was so loved by my five siblings and I. When Bobbie was coming to visit us, we got extremely excited and began to clean the house from top to bottom. Bobbie, loved cooking and always wore aprons in the kitchen. Her fried chicken, homemade rolls and cabbage was to fight over! My dear, wonderful precious aunt Bobbie is now with her six sisters in heaven setting by the river of life hugging and laughing about their earth adventures together! Forever loving and missing you Bobbie. Love, Peaches*
