“ *Special Blessings and prayers of comfort for the loss of Margaret.*

A loveable Lady. She always made me smile. And, she was so thoughtful especially when it involved my family's well being. She never failed to ask about each of the children and how they were doing. Venus and I, and our children enjoyed being in her presence and loved her very much. I will miss her but will always remember our wonderful talks, and memorable times with my cousin Margie, a lovable lady with a wonderful smile.
