“ My cousin Marilyn Morton Craig, was my favorite cousin! We were born 2yrs apart, with our older siblings being older. We had each other to bond with, so we did. I'm sure with our siblings having to watch us, we kept them on their toes!

Marilyn we be sorely missed by all who came in contact with her!

My dear cousin Marilyn, I love dearly, and will miss the kind words from you! May your spirit rest in Heaven, for a life well lived.

“ *Ma Marilyn will always hold a special place in my heart as well as my daughters. She always greeted us with love and made us feel like family. Brooklyn thought of Ms. Marilyn as her 3rd grandmother. She'd run to the front door ready to spend the day with her and wouldn't think twice to look back at me. I knew my baby was in good hands with her. Beautiful soul. We will miss you so much. Fly high angel 🕊️ Our heartfelt condolences to her family and friends. Kina, Shyra, & Brooklyn*

“ Aloha Brooke and Brandy,

*This song came to mind when I thought about your mother.
If I was part of the service, I would read the words.*

Please consider it a gift from me.

*Radical Love,
Gwen*

*Here's to Life
Sung and played by Shirley Horn*

*No complaints and no regrets
I still believe in chasing dreams and placing bets
But I had learn that all you give is all you get
So give it all you got
I had my share
I drank my fill
And even though I'm satisfied
I'm hungry still
To see what's down another road beyond the hill
And do it all again
So here's to life
And every joy it brings
So here's to life
To dreamers and their dreams
Funny how the time just flies
How love can go from warm hellos
To sad goodbyes
And leave you with the memories you've memorized
To keep your winters warm
For there's no yes in yesterday
And who knows what tomorrow brings or takes away*

*As long as I'm still in the game
I want to play
For laughs for life for love
So here's to life
And every joy it brings
Here's to life
For dreamers and their dreams
May all your storms be weathered
And all that's good get better
Here's to life
Here's to love
Here's to you
May all your storms be weathered
And all that's good get better
Here's to life
Here's to love
Here's to you

“ Mrs Craig I didn't get a chance to meet you, but I got a chance to know you from your beautiful, kind and strong daughter Brandy. I know you were a ray of light and a lover of life. You did a magnificent job with your girls. Please know you can rest easy because they have been equipped with everything needed to navigate through this sometimes difficult life.
Rest in Power Mrs. Craig.

“ Marilyn will truly be missed. Marilyn was a rare find. A beautiful gem. My story teller, my tv partner, my comic relief, my listening ear and can't forget, my turn up queen. Thank you Brooke and Brandy for sharing her with us!!!
