“ *My heart is filled with sadness and tears. I was lucky enough to work with Marlyn and came to know her as one of the funniest, vivacious and most thoughtful and caring persons that I've ever had the pleasure of working with. God has called another Angel home and I will miss her dearly. I wish her family comfort during this most difficult time. Please accept my deepest sympathies.*

“ I had the distinct pleasure of meeting Marlyn at work. She was well known, if not famous, for her candy bowl at work. I and so many others would come by to say hello and have a delicious sweet each day. What I began to realize is that it wasn't the sweets that brought us, it was the sweetest person and kindest face in the world that did. Marlyn's kindness in life will always be remembered! I hope to pass on those same traits to my children.

We miss you but know you are at peace.
