“ *My deepest sympathy to Mary's family..the memories I have of her will remain in my heart forever. I am deeply saddened and I pray for strength and comfort for her family during this difficult time and during the coming days. We worked together for many years, had fun together and prayed together. I loved being around her and watching her children grow who she dearly loved. She loved all of her family and friends and would always be there when you needed her with a big smile! May she rest in peace and in God's loving hand.*

Friends forever,

“ I worked with Mary for Years, and for all the years, she was the sweet smiling face that greeted you with love. She was a great wonderful person who thought about others, and she would always be there to pray with me. I thank God that our paths passed, and I got to know such a loving friend. Rest in peace my beloved friend.
