“ *I would like to express my condolence to the family of Mary B. We shared many wonderful times together in church and just being together. It was the four of us (Alice, Marilyn, Mary B and me). I can remember her being a wonderful babysitter. She will certainly be missed. To her children, you had a wonderful mother. May God comfort your hearts and give you the assurance you need in this time of sorrow.*

*Theletha (Lee) Williams
