“ I know that aunt Mary is having a ball up there with her brothers. Hopefully they are not teasing her like they use to with uncle BB being the ring leader... boy, she use to light them up right after. Those were the good ole days. REST EASY

“ My Condolences to the Flemmings and Best family. My heart is heavy about your passing, yet grateful that you will no longer be in pain my sister-in-law. Our family will truly miss you, but know that you are in a better place right now, up in heaven with your three brothers having fun and talking trash. Mary had a way of getting your attention when she walked in a room, first thing you notice was her stare that quickly turned into a smile or big grin, or a loud laugh or voice. She was always herself. I can hear her now calling me my name, Molly, which is not my name, but the only two folks in life that would call me that is her or my grandma. lol Rest in Peace lil Mary, you will always be in my heart.
