DC. She was employed with the United States Department of State, where she worked for 46 years under various contracts and the last being the Emergrison.  
Mary had a great love for music and flowers. Whenever she would hear a song on the radio, she would hum along with it, not knowing any of the words and say... "I love that song". She loved her crab legs, shrimp, fish and her most favorite was "Popeye's Chicken".  
Mary loved spending time with her family, especially the new babies. She enjoyed being around her family, but she had this nonchalant attitude about herself she would never let anything bother her.  
**Fun Fact**  
Mary loved to cherish her memories, her daughter, Edna M. Ray, grandson, Omar Barnes, five sisters, Dorothy Harrison.
