“ To my Granny. I miss our Saturday visits-sitting there having our small talks while you watched your cowboys. At times, I would doze off, and you gently say “go lay on my bed.” And when it was time for me to leave, you’d always say “you just got here.”

I didn't know then how much those simple moments would mean to me. I'd give anything for one more Saturday with you.

I miss you, and I will carry those memories with me always. Rest in peace. I love you Granny.

“ My grandma and I would talk everyday I get off work until I got home. She knew when I was calling cause she would say "Hi Wanda". No matter what type of day I had at work I loved hearing her voice and nothing else mattered. I miss my Grandma tremendously she has the cutest little laugh. Now you are resting with my dad Genie Boy. Rest in peace Grandma you are truly missed
