“ *My Dearest Granny,*

I've been in shock since I learned that you're gone. I will always remember our long talks and the wisdom that you consistently gave to me. You always made me feel special, as the love and peace of God flowed through you. "Don't ever let anybody steal your joy." and "it's gonna be alright" were phrases you often used, and I will not forget. The love you shared with me and my family will live on in our hearts.

*Love Always,
Joyce*

“ Dear Granny,
As time passes, it seems to get a little harder to accept that you're gone. Your days were long, tiresome, and hard but now that God has called your name, I know you are at peace and resting. The house will never be the same as your flesh is gone, but your spirit will surround us all forever. Keep watching over us, especially my family and my baby Tre'. You know the boy needs all the help he can get :). I love you so much, I miss you even more, and I promise to keep my promise, and make you proud. Until we meet again "G Baby."

Always & Forever,
Your Crazy Girl <3

“ Ms. Yancey,

Thank you for being a part of my life. Thank you for the 27 years we shared the same home. Because of you I'm a much better person and your spirit shall never die. You will be missed greatly physically, but spiritually you are already at work and as usual you are busy. Thanks for being the Rock of the family, and thank you for letting me know that I know can become that rock. Love You, now get some rest...

Oh Granny. I miss you so much, my heart hurts. But I am at peace because you are no longer in pain. You have taught me so many life lessons. The most important was how to love The Lord. I can't wait to see your beautiful face again.

*Love Your Granddaughter,
Donté*
