“ My deepest condolences to the family and friends. The blood of Jesus Christ paid the ultimate sacrifice for all mankind. In bible times we can really appreciate how Jesus demonstrated his love for mankind when he resurrected Lazarus, Jairus daughter, and the widow's son. John 5:28-29: Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment. While we await this grand prophecy to be fulfilled bringing mankind happiness in seeing their loved ones again let the Father of tender mercies comfort you and your family. 2 Cor 1:3,4.

“ To the family,
I am an outside contractor frequenting NIH nearly on a daily basis
and I have grown to know your beloved Moe over the course of the
past 8 years. What I will cherish about him the most is his mild
mannered spirit and willingness to step up and help out anybody in
need. It is surely not the same NIH atmosphere in Building 10 since
his passing, he will be greatly missed and the void that exists now
will forever be noticed. Much love and God Bless to all of you!
