“ Mike was one of the kindest persons that I have had the pleasure and honor to know. He had the purest of hearts. Unique and special in his own way. We met over 30 years ago at the Dept. of Agriculture and we instantly became the very best of friends until . He loved to dress and wear his hats or caps. He was always creating some new combination of foods to cook and to eat. I would always call them "his concoctions" and we both would laugh. He took over the role as "Grandfather" to my grandchildren and no one had better not tell him otherwise. He loved to have fun and laugh. We shared so many good times. Yes, he will truly be missed and we will always love him. Gone but he will never be forgotten.
