*A loyal friend for 55 plus years-long. Memories of Mike will bring much laughter to me especially when he gave sound advise to others yet failed to follow his own instructions. We know a change has come to so many that really misses you; So stay tune and I awaits your predictions in the lottery. I learned and gained so much knowledge the first day we met standing in line with Judge Alexander to get our traffic tickets reduced. I am so thankful for all the people you helped with employment and provided homeless a place to stay. Yes, some appreciated your kindness . May you receive your reward for all the good you did on earth. Rest will my friend. Ida*

“ To the Fair Family. I had just moved to DC in 1985. I got lost and Mike helped me. We became very good friends. He also helped get into the Post Office. I am and will always be grateful for his friendship. R.I.P. MY FRIEND
