“ *I had the pleasure of working with Mike when I was at American Trucking. Mike was as kind man, smiled, laughed, made you feel like the day was good. I send to you his family my deepest sympathy. I know he will be missed.*

“ Mike

You were more like my brother than first cousin. I still feel numb inside---can't believe you're not here. I want you back but Trust God. I remain confused today for the why now...but I LOVE ❤️ YOU SO MUCH BUT GOD LOVES BEST. Acceptance is the key 🙏😊💋

“ Michael & I both worked at the AAR and later roomed together when our railroad jobs were transferred to North Carolina around 1999. I remember Mike as a focused hard worker, a classy brother and gentleman and a dedicated family man. We'd lost touch as Mike moved on to the trucking industry but I'll always fondly remember how Mike & I navigated that turbulent chapter of change & support in both our lives.

“ I've known Mike for more than 19 years. I used to worked at ATA and was fortunate to have Mike as my supervisor on my 8 years tenure there. He was one of a kind, a boss who care about his staff not only during work hours but outside with our personal lives. He mentored me and my colleagues, I am able to succeed to my new career because of Mike. When I left ATA, we stayed in touch. Mike always have time for me whenever I needed someone to talk to about problems at work and personal life. I lost a boss, mentor, a brother and a one of a kind friend. I am going to missed you Mr. Harris.

Karen , I will keep you and the rest of the family in my prayers.

“ He was always there. Every event at his son and daughter-in-law house he was there making sure everyone was ok. He was so welcoming. To me he felt like an uncle, the one you can't wait to see at the family functions. You could feel the love he had for his family, the relationship he had with his son was priceless. I'm Latasha cousin by blood, but around big Mike we truly all felt like one big family. May God keep the Harris family in their time of grief. Thank you God for sharing him with us. Rest now Big Mike.
