“ *Hello Aileen,  
No one can feel your pain at this time, but I do remember when God had spoken and granted u a job the same day and I watch Michael and James while u were blessed with the job, and how my grandson, Daron was connected to your sons. My heart goes out to u with love and I pray for peace and comfort for u and your family. Many things we don't understand but, God said to be absent from the body is to be present with the lord! So, my daughter as long as we are walking with Jesus, we shall see him again.  
Love Ya,
