“ *Mi Querída Titi Yayin, tantos bellos recuerdos de mi niñez, tú tocando la guitarra en el balcón en casa de abuelo y abuela y inventando juegos para hacernos reír. Tus pinturas que me inspiraron aprender a pintar. Siempre serás mi reina del “campanazo”, ese juego que te inventastes y jugábamos en el día de acción de gracias para que todos estuviéramos entretenidos mientras estaban cosinando. Siempre tan cariñosa y bien querida por todos. Yo se que el cielo se ha ganado la más talentosa de los angelitos!! Hasta siempre Titi. Gracias por tu amor por nosotros tus sobrinas y sobrinos. Con mucho amor Linnette.*

“ *Titi Yayi was and always will be the most wonderful Aunt. When we were kids, she used to play music at the balcony of her house in Cupey, so we had a dance competition. The winning prize was her laughing and that she'll always cheer for us. Also she was the only person that let us play inside her car. She'll be in my heart and I'll love her forever. Titi Yayin, you'll be missed. I know that you're in Our Father's hands...see you later!*

“ *Migdalia was a remarkable mother and wife. She passed away leaving us so beautiful memories. She had a great personality, and friendly humor. She always was beside me. It was not only one day that we were feeling happiness. None one knew, how she was dedicated to understand marriage, friendship, and help to other.*

Time passed together like the sound of the ocean at night. My wife enjoyed the Navy, and care the kids. She was not one day stop listened me about my adventure in the Navy. We laughed, argued, and enjoyed together every moment was memorable.

After all the agony, we were feeling the same love without vanished. I was thinking every days waiting to see her walk back again. But every day feeling that the Lord was taking her way. All these days looking her, I found myself, you was the most beautiful thing of my life. I am sure Migdalia was thinking the same.

“ *En memoria de mi querida hermana Migdalia o como le llamamos en mi casa Yayin. Estoy seguro que te volveré a ver por qué Jehova promete levantar a los muertos. Se que en este momento estás descansando hasta que como dijo Jesus oigas su voz y te levantes en la resurrección. (Juan 5:28,29) te voy a extrañar muchísimo pero pronto te volveré a ver.*

*Gracias por haber sido mi hermana menor. Te queremos mucho.
Hasta luego*

“ *I am Maria Lugo
I had known Migdalia for 22 years. I always liked her genuine personality and how good a person she was.
I could always call her to baby sit my 3 children knowing that she would take excellent care of them because she loved children
Migdalia loved coffee! I remember one of those times she came for 5 hours she went through all the coffee had at home...She must have made several Potts that day! I jockinly told her when I came home next time I would hide the coffee and we both had a good laught about that.
Migdalia always wellcomed me and my family with opened arms at her home ...she would always asked what we wanted to eat so she have it ready when we visited.
Migdalia showed me that a good friendship is not about what you say about people but about how well you treat them.
It is said that people die when you forget about them...Migdalia will always live in my heart as the genuine, caring, and excellent person she was.*
