“ *Mildred was one of the kindest people I've known; always full of grace and the love of Jesus. In my many visits with her in the hospital, she never complained about her condition and always asked "how are you doing?" We would end up sharing stories and a laugh or two. She was the kind of person you felt comfortable being around and enjoyed spending time with her. She will always be fondly remembered at Southern Pines UMC and I know my life was blessed for having known her. I join with so many others in praying for Don and her family,*
