“ *To the Mackey Family,
I am truly blessed to have known Grandma Mackey & have grown up with the Mackey family. Grandma Mackey always treated me like one of her grands. I remember visiting with LaTisha, Dominique, and Carletta as a girl & all the fun we had dancing with Grandma Mackey. I also remember all the life lessons I thought then were just fun stories or warning not to get too big for my britches... that now come back to mind as memories to always be your best & don't take "no mess!" Grandma Mackey I will miss you & all who knew you will miss you too. Thank you to my Mackey Girls for sharing their grandmother with me. I pray with the family for peace. Love is stronger than death & the Mackey Family is built on love so this time of grief will be brief... the memories of the love will take all the loss away. Rest now Grandma Mackey...

“ A lot came to mind while writing this.. So many memories came dashing through my mind and as I wanted to write them down more and more kept flooding in... But with each memory that came, there was also a feeling of love felt in my heart ..that even though my grandmother is now with our Heavenly Father her love is still with us and in all of us.. So during this time let us share with each other not just her memory but her love too

“ Mildred was more than a sister in law, she was like a sister I never had. It was a blessing to be in her present at her 80th birthday celebration. Mildred will continue to live on in our hearts and she truly will be miss.

“ To Eddie and Family: Joe and I want to express our sincere condolences to your family in the loss of your beloved Millie. We have many fond memories of Millie and the fun times we had just hanging out with you all, BJ and Clara. Millie always kept us in stitches. She was a beautiful, caring and loving person. I know she will be missed. We will miss that infectious smile of hers. I pray that God will comfort you and give you peace to sustain you during this very difficult time. Our love and prayers are with you.

“ My grandmother was a very strong and beautiful person. She taught me alot about love and what its like to be loved by someone. Growing up she was my savior cause I was always in to something which led to me getting in trouble, but whenever I needed her to rescue my bad butt she would. When I graduated college and needed a place to stay of course my grandma said I could come live with her. Even though my grandmother is gone now and i will always miss her i know she is happy, safe, and watching over me as she always did. I love you grandma and will never ever forget you.

“ I don't have one fond memory, I'm pretty sure I have a million but I will share at least three. I will always miss going to visit my grandmother and all of us (my grandmother, aunt, sisters, and cousins) talking and laughing together until we fell asleep on her bed. Anybody that knew my grandmother knows how comfortable her bed was lol. I will miss calling to check on her and talking about General Hospital, that was our show and grandma always knew what was going to happen before it happened. Lastly, I will miss hearing all the memories she had with my mother. She loved my mother like a daughter and shared a little of my mother with me every time I saw her and I always appreciated that. I will miss so much about my grandmother but I take peace knowing that she isn't in pain or fighting anymore but that's she's resting peacefully now and spending time with my mother. I love my grandmother dearly and will never forget the time I had with her.

“ Momma Mackey,

I shall miss our talks and your advice on life, love and marriage. I enjoyed our time together and the planning and stealth execution of your surprise 42 Wedding Anniversary party. I shall miss our family dinners and your wonderful stories and warm smile. I thank you for embracing me as your daughter-in-law and Devyn and your grandson. Know that I have the Wooden Spoon and I shall pass it on.
