“ My name is Rudolph Nickens. I graduated Sousa in the class of 1970. Mrs. Reynolds was English and Geometry teacher. But more than that she was one of the most caring adults I ever had. I liked school already, but she made me love it. She was encouraging, with high standards and even higher expectations. Her classroom was my safe place. She was someone I could always talk to about anything. I loved the friendship she shared with Mrs Pritchard. Those two women were the heart and soul of Sousa Jr High. Thank you Mrs. Mildred Clark Reynolds for everything you did for me. Thank you. As an elder now i hope you knew how many of us grew to have good meaningful lives in part because you not only taught us so well, but because we could tell that you loved us. Rest in Peace. Rise in Power. Rudy Nuckens
