“ *Good morning, I just found out about my former Co-worker, Ms. Minnie Owens from a former Co-worker.*

We sat close in the same work area and we kept each other laughing.

She was crossing my mind frequently in the last two weeks.

However I would often think of her. Rest in Peace my Sister.

“ *My heartfelt condolences to the family of Minnie. Minnie and I had a lot of great times together, work related and personal. We flew back and forth to Ohio when our jobs were outsourced. Minnie loved going with me to the country (Virginia) for church homecomings, loved the ride and food, always said the mountains were beautiful. RIH my dear friend. You will sincerely be missed. Praying for strength, peace and comfort for the family.*

*Heartfelt regards,
Charlotte Pendleton*

“ We have lost a great friend, but Heaven has received a beautiful Angel. Minnie was such a great person, and I believe God will accept her with open arms for all the good she and done while on earth. Our sincere condolences to the family.
