I only found out today, my dear friend has gone away. We meant to have a visit, but we did not; she will be missed. I knew her such a short time, memories of sincere, caring people, like Monica, are everlasting. I pray for you; her family and friends to find comfort from your treasured memories of Monica.

“ I'm deeply sadden to hear of Monica's untimely passing. What a loss. I had the pleasure of working with Monica from ~ 2008 to 2011. She was a diligent worker and caring colleague. We worked hard together and in the process laughed a lot too. I pray family and friends find great comfort from treasured memories. Ray Lefebvre

“ Then I heard a voice from heaven say, “Write this: Blessed are the dead who die in the Lord from now on.” “Yes,” says the Spirit, “they will rest from their labor, for their deeds will follow them.” Rev. 14:13

May the God of all Comfort, Comfort you and your family at this time.

I have worked at the IRS in Information Technology for almost 30 years. Of all the managers I have had Monica stands out as one of the best two ever. Monica cared about her people. Our relationship was beyond Manger/Employee. When I changed jobs and moved on in my career we stayed in touch. In spite of her health issues Monica always triumphed. I never saw her sad. She will be missed and a shining light has been turned off.
