“ My deepest sympathy to Moniquin's family and friends. I had the chance to work with Moniquin at ACF and I will always remember her steady leadership, support for her staff and all the states, programs, and colleagues she worked with. I know she made a lasting impact at ACF and across the country. Even in some stressful times, she always had a smile and calm approach to whatever we had to do. My prayers to family and friends and hope memories of Moniquin's life and what she gave to so many of us brings you comfort during this difficult time. Sincerely, Melissa Lim Brodowski

“ Moniquin was my dear Sister/Friend whom i will always love and cherish. We met over 40 years ago in Colorado Springs, Co. Even though she lived on the East coast and I live on the West coast we kept in close contact with each other. We took the time to visit each other and God blessed us to even meet up in Paris 2.5 years ago. That brought us so much joy! I am thankful that Moniquin allowed me to walk along side her during a very difficult time in her life. We prayed together and also cried together. She often talked about her book club and invited me to read some of the books and then we would discuss them. We had a very strong bond and I miss her. Thank God for the precious memories and I will always carry my love for you in my heart. Rest on my dear Sister.

“ How appropriate for the beginning of her last name to represent the character of who she was... HUGgins! What a wonderful person who will be missed.

“ To the family, I extend hugs and love to you during this time... she was a treasured soul who always had a smile on her face. I can see her walking up to the door to pick Keon up after school, when he was a little boy and how he was always happy to see her finally coming to get him. May the God of comfort give you all peace as you start this journey of living through shared times with her. Love always, cousin Terri!

Moniquin's leadership at the Administration for Children and Families was outstanding and she was often the rock between ever changing appointments. Always practical, caring and dedicated. May perpetual light shine upon her and her soul.
