Munaka was my BestFriend. He was the balance I needed in school. We took that pic and many others on a random trip to the mall 😂. Her and Trice were the sisters I never had but very much needed. I hate life took us apart. I love you so much Munaka!!! ☐ Never had a friend like you! My Angel 😊

“ Blessings to all the family. I knew her grandmother and mother very well, and this feeling is unimaginable, I know from experience. She was very successful, and her life and name is not in vain. Wishing everyone the absolute best and always remember to enjoy life and cherish everyday m☀️ - Ms. Donna.

“ Munaka came to Charlotte, NC for her niece's 2nd birthday this past April. She and I sat together and talked while the children played. Had no idea I would never see her again, Such a pleasant young woman. Such a loss too soon. Our prayers are with Will Jr, and his family.

“ Munaka was a joy to work with at WSSC Water. Our whole team is sad and grieving everyday for missing her. She was #1 support technician with a positive attitude, nice laugh, and beautiful. Words cannot express and we are praying for her family to find comfort at this time.
