“ *Mother, I will never forget you- EVER! You departed this earth on His appointed day, but you did it Your way (I know what you were doing 😊). It has only been 1 week and boy do I miss and look for you. I see you everywhere I turn and I hear your laughter. I am comforted that you are at peace and finally resting, and grateful the Father has allowed me to serve you. Your strength and endurance has amazed me. Love your daughter Cynthia 🇺🇸*
