“ *Dear Mattie and Family,*

I am sorry for your loss. I met Nate and Mattie in the 80s when they first returned from Hawaii. I worked with Mattie in the Pentagon, USAF. I know there is nothing I can say to ease the pain you feel, and no amount of words would make a difference but know that God only chooses the best to be in his Army, and Heaven has received a new member. He will always live in your heart and your memories will be eternal. I am praying that God's love will embrace you during this journey and eases your grief along the way.

*Peace and Blessings,
Celina (Cee Cee) Dixon*

“ Uncle Nate took care of us Chris, Mama, Ahmad, Dennis, Michael and myself.

We are USAF family! We love him as our own. He and Chris were one of the same.

“ *Dear Family, as you know, Nate and I met in Okinawa in the Air Force and remained true friends for 48 years. He was a very genuine person; what you saw was what you got. There was not a phoney bone in his body. I truly enjoyed his friendship and have many great memories. He was a blessing in many ways and it was an honor to serve with him and a joy to know him. May the Lord Jesus Christ and strengthen you in the days ahead and be with you in this season of life. You are in our thoughts and prayers. ~ Bill Chinn and Family*
