“ *Nichelle was one of the most sweetest persons that I have known. She was so caring, loving and always willing to lift a helping hand. I really don't know how I will deal with returning to work knowing that she will not be there. She will forever be in my heart.*

“ *My heart is very sad to read of Nichelle's passing. While I may never have met her in person, I had the privilege of her help earlier this year. I had some USPS FCU problems, and Nichelle's kindness and commitment to help me solve my car loan/DMV issues was a blessing. Her gentle spirit was evident to me.*

While Heaven has gained an angel, Nichelle's friends, loved ones, and co-workers are feeling her loss. Even I, a mere stranger, was touched by this lovely woman.

I am praying for her family and friends.

God Bless you all.

Sincerely, with condolences,

Michelle Freeman

PS She and I had a shared laugh over the closeness of our names, except for the first initial.

“ *From Her Credit Union Family -*

We have lost a very special co-worker and friend, Nichelle Garnett, who had blessed us with over 16 years of hard work and dedication to helping others.

How does one express the amazing spirit of Nichelle - her selfless generosity, uncompromising belief in all that is good and her unwavering commitment to her co-workers, members, family and friends?

Words, even the best of words, cannot pay tribute or truly capture the sense of loss that we are all feeling today.

We will always remember what an amazing person she was, who has played a unique and special role in all of our lives. We will always love her and miss her! Our deepest heartfelt sympathies go out to her family during this difficult time.
